Expiry: 27-06-2027

Registration Conditions:

Condition 1

Subject to any prohibitions or restrictions contained in any other condition(s), the designated centre shall be operated at all times in accordance with the Statement of Purpose within the footprint of the designated centre on the floor plan received on 10/06/2024. The registered provider shall only provide for the specific care and support needs, and services, within the facilities as set out the Statement of Purpose, as agreed with the Chief Inspector at the time of registration. Any changes to the specific care and support needs and services provided must be agreed in advance with the Chief Inspector.

Condition 2

Only persons aged 18 years or older shall be accommodated at the designated centre at any time.

Condition 3

The maximum number of persons that may be accommodated at the designated centre is 56.

Condition 4

By 31 December 2025 the registered provider will address the following risks, identified on the fire safety risk assessment report dated February 2024,

- Upgrading of Fire Doors to eliminate gaps around frame and to the floor. Replace glazing in vision panels in all corridor

and cross corridor doors with E130 fire rated glazing.

- Address all compartmentation and sub-compartment issues identified in Fire Safety Risk assessment
- Address fire stopping service penetration issues identified in Fire Safety Risk Assessment

Condition 6:

By 31 December 2025 the registered provider will take all necessary actions to bring the designated centre into compliance with Regulations 23 and 27, including ensuring that:

1. The designated centre has sufficient resources to ensure the effective delivery of care in accordance with the centre's statement of purpose.
2. The management structure in the centre is in line with the structure set out in the centre's statement of purpose.
3. There are effective management and supervision processes in place to ensure staff practices are in line with Infection Prevention and Control Standards so as to protect residents from the risk of infection
