### Registration Conditions:

#### Condition 1

Subject to any prohibitions or restrictions contained in any other condition(s), the designated centre shall be operated at all times in accordance with the Statement of Purpose within the footprint of the designated centre on the floor plan received on 23/02/2024. The registered provider shall only provide for the specific care and support needs, and services, within the facilities as set out the Statement of Purpose, as agreed with the Chief Inspector at the time of registration. Any changes to the specific care and support needs and services provided must be agreed in advance with the Chief Inspector.

#### Condition 2

Only persons aged 18 years or older shall be accommodated at the designated centre at any time.

#### Condition 3

The maximum number of persons that may be accommodated at the designated centre is: 51.

#### Condition 4

The three bedrooms (Rooms 114, 119 & 120) that are only accessible by either steps or a chair lift may only be occupied by residents who undergo professional assessment in relation to their safe use of the steps and chair lift. This

condition is subject to ongoing professional assessment as part of the care planning process as required by the residents changing needs or circumstance and no less frequently than four monthly intervals.

Where the continued use of either steps or the chair lift by the resident is assessed as unsafe, alternative accommodation within the centre to meet the residents' needs will be provided.

#### Condition 5

The registered provider shall, by the 31 March 2025, submit to the Chief inspector a plan setting out how the rights of the residents to live in a secure designated centre are protected. The plan should include access to the premises and gardens of the designated centre.
