### Registration Conditions (temp):

#### Condition 1

Subject to any prohibitions or restrictions contained in any other condition(s), the designated centre shall be operated at all times in accordance with the Statement of Purpose within the footprint of the designated centre on the floor plan dated 19/12/2022, excluding the description of Room 21 as a twin room. The findings of the inspection in November 2022 was that this room was configured for single occupancy and in use as a single room.

The registered provider shall only provide for the specific care and support needs, and services, within the facilities as set out the Statement of Purpose, as agreed with the Chief Inspector at the time of registration. Any changes to the specific care and support needs and services provided must be agreed in advance with the Chief Inspector.

#### Condition 2

Only persons aged 18 years or older shall be accommodated at the designated centre at any time.

#### Condition 3

The maximum number of persons that may be accommodated at the designated centre is: 40.

#### Condition 4

Bedrooms No. 20 (twin bedroom) may only be occupied by independently mobile residents who do not require the use of mobility aids or a hoist. Dependency assessments and professional assessment of residents mobility must be carried out every 4 months in conjunction with care planning process.
