Registration Conditions (temp):

Condition 1

Subject to any prohibitions or restrictions contained in any other condition(s), the designated centre shall be operated at all times in accordance with the Statement of Purpose within the footprint of the designated centre on the floor plan received on 13 November 2023. The registered provider shall only provide for the specific care and support needs, and services, within the facilities as set out the Statement of Purpose, as agreed with the Chief Inspector at the time of registration. Any changes to the specific care and support needs and services provided must be agreed in advance with the Chief Inspector.

Condition 2

Only persons aged 18 years or older shall be accommodated at the designated centre at any time.

Condition 3

The maximum number of persons that may be accommodated at the designated centre is: 104.

Condition 5

The registered provider shall arrange for a fire safety risk assessment (FSRA) of the designated centre carried out and submit a copy of the report to the Chief Inspector by 30 September 2024. The FSRA shall be completed by a competent fire safety professional in the context of the use of the centre as a nursing home. The assessment shall identify, assess and rate all fire risks throughout the centre, informed by the resident profile, with particular emphasis paid to the accommodation and fire safety requirements of all residents.
