Registration Conditions:

Condition 1
Subject to any prohibitions or restrictions contained in any other condition(s), the designated centre shall be operated at all times in accordance with the Statement of Purpose within the footprint of the designated centre on the floor plan received 05 October 2026. The registered provider shall only provide for the specific care and support needs, and services, within the facilities as set out the Statement of Purpose as agreed with the Chief Inspector at the time of registration. Any changes to the specific care and support needs and services provided must be agreed in advance with the Chief Inspector.
Condition 2
Only persons aged 18 years or older shall be accommodated at the designated centre at any time.
Condition 3
The maximum number of persons that may be accommodated at the designated centre is: 42

Condition 4
Marymount University Hospital and Hospice shall ensure that, with the exception of 8 identified residents who were transferred out of the designated center while the Phase 1 works were completed, no new residents are admitted to the designated center until the requisite fire safety works required to achieve compliance with Regulation 28: Fire Precautions.
In particular the registered provider shall:
• Take adequate precautions against the risk of fire
• Provide adequate means of escape
• Provide adequate containment of fire
• Make adequate arrangements for evacuating where necessary in the event of fire, of all persons in the designated centre and safe placement of residents
