HIQA wants to hear from you

We are updating the National Standards for nursing homes which describe what everyone should expect from residential services.

Have your say on what is important to you before 24 September 2014

For the draft Standards, an easy to read version or to find out more you can ask in your nursing home about it or;

call us on 01 814 7439 or

write to us at the address below or

email us at standards@hiqa.ie or
go to our website www.hiqa.ie
