## **Evidence Base**

This is gathered from the national and international literature and evidence base

## Stakeholder Engagement

HIQA convene an Advisory Group and run focus groups, with people using services and staff, and a public consultation at the start of the project

Findings from the Evidence Base and Stakeholder Engagement are reviewed and analysed to inform an initial draft of the guidance

The draft guidance is made available for public consultation

The draft guidance goes through the internal approval process

The final guidance is published on <a href="www.hiqa.ie">www.hiqa.ie</a> along with any resources to aid understanding and support implementation, as appropriate
