Hi Noel and John,  
Attached is our occupancy form which highlights the units and the Covid pos residents.  
All residents swabbed on Friday 17/4/20  
The majority of staff have now been swabbed also .

A lot of changes over the weekend as some results came in .

**Our numbers as of now are :**

[REDACTED] **Covid Positive residents on site** – indicated in attached document

**We have had [REDACTED] Covid deaths** ( [REDACTED] more NF01s to be submitted today)

[REDACTED] **staff have tested Positive.**

( [REDACTED] staff tested positive over the weekend as a result of Fridays testing and these staff were working and asymptomatic )

The rest of the results are due in today and the picture will change again no doubt.

Yesterday [REDACTED] resident in [REDACTED] tested positive ( no new symptoms ), the [REDACTED] ladies in her room tested negative.

On the advice of the [REDACTED] Dept of Public health this lady was transferred into [REDACTED] .

A press release has been prepared for the press .

I can update later on today when the results are in as this will further guide the cohorting process..

Thanking you,  
Regards,

[REDACTED]
