Hi Noel and John,
Attached is the template form the dept of public health received yesterday with the swab results .

[REDACTED] tested positive .

We were advised to cohort [REDACTED] from [REDACTED] in to an [REDACTED] and [REDACTED] from [REDACTED] in to [REDACTED].

Sadly [REDACTED] passed away in [REDACTED] early hours of this am – due to COVID .

We had a lot of asymptomatic staff who were working and have tested positive.

We have [REDACTED] staff positive and more results filtering in now.

Thanking you,
Regards,

[REDACTED]
