Hi John ,
I hope all is well with you.

I spent time this morning going around [REDACTED] and it was great to see all of the residents who had tested positive for Covid 19 improving.

We have an outbreak control team meeting tomorrow and I will update you on any plans .

Also we have [REDACTED] staff members who had tested positive for COVID 19 last month , these staff are all well now and back to work .

Thanking you,
Regards,
