Cohort	NF02: [REDACTED] (NOT-0260222)	24/04/2020	John Greaney	<p>Talked to [REDACTED] about status of outbreak. Planning to install doors that would take rooms 5 & 6 into [REDACTED] and make it COVID ward. Asked about whether residents in [REDACTED] would be moved from room that has both positive and negative residents and she was unsure. Currently following advise from public health. I advised her that current practice is not in compliance with guidance published by HPSC.</p> <p>I talked to [REDACTED] about current status and plans. Now have [REDACTED] with suspected COVID. [REDACTED] room 3 of [REDACTED], which is 4 bedded has been moved to single room. [REDACTED] room 4 of [REDACTED], which is [REDACTED]-bedded and remains in room. Does not have adequate facilities to isolate due to multi-occupancy bedrooms. Speaking with Public Health everyday and following advice but concerned that is not in compliance with HPSC guidance.</p>	Outgoing	[REDACTED]
