

Resource Oversight Committee Meeting 15th September 2022

Changes to the Corporate Risk Register

Following a review of the corporate risk register and in light of progress with the Digitally Enabled Regulator (DER) project, four corporate risks were closed (#19-245, #19-267, #94 and #134) and two new corporate risks were opened (#173 and #174). One corporate risk had text amended (#18-222).

No changes to the residual risk ratings for the remaining corporate risks since the last update.
